PRACTICAL INFORMATION :

- For the Paris 2024 Games, a dedicated mobile application, "Transport Public Paris 2024," has been developed to help you plan your route to competition venues and provide real-time information on transport conditions in Île-de-France.
- It is recommended not to use other existing route planning applications as they do not include all the transport plans scheduled for the Paris 2024 Olympic and Paralympic Games.
- Remember to purchase your Paris 2024 pass on the app to travel unlimited across the Île-de-France transport network for the number of days of your choice. This will help you avoid queues at stations.
- Motorized vehicles (cars, motorcycles, scooters, etc.) are not allowed to circulate or park near the competition sites and their surroundings.
